ALBURY GANG SHOW

Gang Show exists to provide challenging & demanding opportunities for members of the Scout and Guide Associations, to receive practical training in theatre craft. Gang Show is a specialist activity that Scouting provides to allow members to develop their potential further, while still being active in their own Section. Although the focus is on youth, leaders also join in with the cast to support their own member's involvement. At the completion of rehearsals Albury Gang Show performs 3 shows to a combined audience of around 1,000 people.

Albury Gang Show is directly responsible to the NSW Scout State Commissioner Creative Arts. The show is performed by Scouts and Guides from Albury, Wodonga, and surrounding areas in both New South Wales & Victoria.

Problems and Grievances:

Albury Gang Show takes bullying and harassment seriously. We have a lot of youth and adult members together in a high-pressure environment so keeping calm and looking after yourself and your peers is very important. If you are experiencing trouble with another person in the show, please speak to a member of the welfare team. Should your concern require further attention, or actions please refer to NSW Scouts Grievance handling procedure.

If we don't know about it, we can't address it.

Photos:

Only authorised persons will be taking photos. Cast and other Supporters are not permitted to take or use photos or video for any personal use. If you see us trying to take a photo or video, please just go about what you were doing without making an inappropriate gesture or ridiculous face. We use photos and videos of rehearsals as part of our program, and for promotion of the show.

Social Media:

Albury Gang Show is on Facebook and YouTube.

We have our website, and we **#alburygangshow** whenever we can. You can help to boost our online presence by liking and sharing recent posts from the Albury Gang Show page, but please only share recent ones as if you share and like old posts it starts to confuse people.

If you talk about the show on social media you need to make sure that anything said is respectful and truthful, and that it is from your point of view.

Social media is a great way to get information out there, but once it is out it is hard to remove if you change your mind.

We have set up an Albury Gang Show Cast of 2025 Facebook Group. This is for Cast only. If you do not have Facebook, you may get your parent/s to join on your behalf. This group will be used to share information like newsletters, music, forms, ask questions and other stuff that we will discover along the way.

When using social media, Members should remember the Association's high expectations of behaviour and not do anything on a social media platform that reflects poorly on them, on other individuals inside or outside Scouting, or on the Association as a whole.

Members are expected to act responsibly, with common sense and good judgment when using social media.

For more information, you can read Scouts NSW Social Media Guidelines online.

The Theatre:

Is in central Albury in QE2 Square. Cast entrance is on Swift St at the rear of the building. The stage door is on the side closest to the police station under a set of stairs. Parking can be difficult at times so remember the multi-level car park is just around the block. Please check the times for access and don't be late. You will need to sign in and out.

There are a lot of rules and tips for being in the theatre, a list will be given to you closer to this time. But, in general you aren't permitted to go in front of the stage, you should keep quiet and listen carefully for instructions, and only cast are permitted to enter the building. The theatre is a high stress time for the show and is filled with excitement.

It will be more important at this time to be reliable, and to look out for yourself and your peers.

Oh, and most definitely do not touch anything you are not cleared to operate; this could include instruments, microphones, the fly tower, light systems, sound systems, some props, and probably more....

After Party:

Saturday after the show we have a Cast and Crew After Party (Disco) at AGS HQ (North Street).

Permission notes will go out closer to the date and only those with signed/returned notes will be able to attend.

Parents will need to drop off and pick up Cast from hall.

This usually finishes around 1am and is a great way to unwind and relax after a massive week.
